Applicants who receive offers and have further questions about the programme can request an online meeting with the Jazz team or in-person visit.

In-Person Auditions

In person auditions take place at Leeds Conservatoire.

You will have 30 minutes to warm-up followed by your 30 minute audition. During the audition, you will play with a Leeds Conservatoire ensemble or accompanist if possible, however, we cannot guarantee this. Therefore, please come prepared to perform solo or with backing tracks.

If we can provide accompaniment, there will be no warm up time with the ensemble however there is a short amount of time allocated in each audition to communicate common instructions to the ensemble. The band is experienced and will be quick to understand any instructions. However, the panel are looking to see you perform in an organic setting, allowing the music to unfold naturally.

Performance

You may choose ONE of the following two options:

A) Perform two Jazz standards of your choice, demonstrating your skills in Jazz improvisation. Please do not overcomplicate the arrangements – head in/solo/head out is appropriate.

OR

B) Perform one Jazz standard and one solo piece of your choice. The solo piece should allow you to demonstrate your current strengths on your instrument. Original compositions or improvisations are acceptable. The solo piece must not be performed with a play along.

- You will be asked to improvise over a given chord progression at sight in an ensemble setting.
- You will be asked to sight-read a short piece of music, which will be given to you during the audition. Don't worry, we understand that this isn't everyone's strength.
- We might ask you to play or sing some scales or technical exercises as appropriate to your instrument and level.

Interview

You will have a short interview, where we will explore your general musical knowledge and interests.
