

# Induction To Do List

---

This document will help you build your own to do list as you get ready to join Leeds Conservatoire.

We have designed this to follow the sections on the Welcome and Induction website so you can check that you have read all the sections and make notes as you go. We have included some to do items, hints and tips to get you started. You won't need to do everything, because everyone is different, and there will be things that you will think of which are not listed here.

Have you completed registration online yet?

## Living in Leeds

Make a packing list of everything to bring to Leeds

How will you make your living space feel like home?

Don't forget your passport or photo ID – you will need this to collect your Student ID Card

Have you been asked to bring any other paperwork with you?

Have you packed facemasks and hand sanitiser?

Check if you need a student certificate for Council Tax

Check if you need a TV License and buy one if you are going to watch TV

## Buildings, Safety and Access

Read the Covid Secure guidance

Booked a slot for your ID card collection

Mark, register and insure possessions

## Learning Formats and Resources

TIP: We will send you more information about Learning Resources and Studio Inductions. Make a note of the information when we send it!

## Social and Community

Follow Leeds Conservatoire and LCSU on social media to connect with other new students and keep up to date on what's happening in Welcome Week

Make a list of things that interest you in the city

## Supporting You

Register with a GP

Make sure you know the signs of meningitis.

Check vaccines are up to date

If you need disability support, remember to complete the support needs referral form.

Think whether getting a job is right for you

## Welcome Week

TIP: Make a note of the date, time and precise location of the different induction sessions and activities which are relevant to you so you can sail through the week. You will be sent all of this information before Welcome Week.

Complete registration and collect your ID card

Attend your academic induction

Access Learning Resources and Studio Inductions

Take part in Students' Union Welcome Week activities

Work out what to bring with you on your first day

Get in touch if you need some help
