BA (Hons) Musical Theatre Studies (Top-Up) (Online)

Once you have applied, if you meet or are likely to meet our entry requirements, for the BA Musical Theatre Studies (Top-Up) (Online) course we will contact you to create an account with our audition system Accepted to upload your artistic introduction. You will then be invited to book an online interview to discuss your application further with one of the course team.

Artistic Introduction

As part of your audition we will ask you to submit an introductory video (2-3 Minutes) that tells us in brief:

- Who you are
- Where you are on your learning journey
- What you hope to gain from the learning on the programme
- What you are hoping to do when you have completed your undergraduate degree

Interview

On receipt of your application and introduction, we will be in touch to arrange an informal chat online with one of the senior School of Drama staff team who will ask a series of short questions about your interest, experience and knowledge of musical theatre to date.

This is also your opportunity to ask any questions you have about Leeds Conservatoire and the Musical Theatre Studies (Top-Up) (Online) programme.
