OPEN DAY GUIDE

WELCOME

Thank you for joining us for today's Open Day! This guide has everything you need to make the most of your time with us. We hope you enjoy exploring our campus and meeting our community.

CAFE:BAR

Our Cafe:Bar is located on Floor 2. It's the perfect spot to enjoy a drink or snack, listen to our students' music, and join a campus tour.

CAMPUS TOURS

Tours depart approximately every 10 minutes and last around 30-45 minutes.

If you'd like to see our campus with our state-of-the-art facilities, simply head to the stand in the Cafe:Bar and speak to a member of staff.

COURSE TALKS

Our expert tutors are excited to meet you and share more about our courses. Talks are taking place in the Venue, 219 and 509.

All rooms are signposted, but if you're unsure, our wonderful student ambassadors (look out for their [light blue](#) t-shirts) or staff will be happy to point you in the right direction.

TUTOR QUESTIONS

Following their course talks, our expert tutors will be available in nearby locations. You're welcome to chat further about your course and receive answers to any specific questions you have.

STUDENT SERVICES

Our Student Services teams are based in the Rooftop Bar from 10:30AM.

They can answer questions about Accommodation, Admissions, Disability Support, Fees & Funding, Health & Wellbeing, Occupational Therapy, and our Students' Union.

DROP-INS

You're also welcome to drop in at the advertised times to see our creative spaces in action.

It's a great opportunity to explore our facilities, see students at work, and get a feel for life at the Conservatoire.

NEED DIRECTIONS?

Just pop by reception and a member of staff will help.
