

Leeds Conservatoire

Interview Requirements

2027 Entry

BA (Hons) Music Production

BA (Hons) Music Production with Foundation Year

BA (Hons) Electronic Music Production

BA (Hons) Electronic Music Production with Foundation Year

Introduction

Once you have applied, if you meet or are likely to meet our entry requirements for BA Music Production or BA Electronic Music Production, we will contact you to create an account with our application system Acceptd. You will then be invited to attend an online interview.

What to Prepare

- Please be prepared to share up to two tracks or recordings that showcase your music production skills and experience so far.
- Please have a link to your work ready to share during your interview. This can be a link to your OneDrive, SoundCloud, Billibilli, or Youtube, for example, so that we can listen to your work during the interview.
- Be ready to share and discuss your work during the interview, including the creative and technical processes you used.
- Your tracks, along with your responses to interview questions, will help us assess your suitability for the course.

What to Expect

- The interview is also a chance for you to ask questions about the course and life at Leeds Conservatoire.
- If we need more information after your interview, we may ask you to submit additional materials.

Applying for Multiple Routes?

If you've applied for both Electronic Music Production and Music Production, you'll only need to attend one interview. We'll use it to assess your fit for all routes.

Interview Question Guidance

BA (Hons) Music Production (3 year) / BA (Hons) Music Production with Foundation year (4 year)

Please consider the following questions in preparation for the interview:

- Can you provide details about your Music Production experience over the past 12 months?
- What DAW software are you most familiar with? What is your level of experience with it?
- How much studio/recording experience have you had as a producer? Please provide details about the equipment you have used.
- What experience, if any, do you have playing an instrument/music (including production-related performance, e.g. live sets)?
- Please can you tell us about a producer's work that you admire or that has influenced your own work?

BA (Hons) Electronic Music Production (3 year) / BA (Hons) Electronic Music Production with Foundation year (4 year)

Please consider the following questions in preparation for the interview:

- Can you provide details about your Music Production experience over the past 12 months?
- What DAW software are you familiar with? What is your level of experience with it?
- How much experience have you had as a producer/DJ? Please provide details about the equipment you have used.
- What experience, if any, do you have playing an instrument/music (including production-related performance, e.g. Ableton or live DJ sets)?
- Please can you tell us about an electronic music producer's work that you admire or that has influenced your own work?
